

Havurah

Temple Etz Chaim has recently started forming new Havurah or friendship groups. These groups bring together congregants with similar life situations and interests to create their own meaningful Jewish experiences. These groups' interests might include celebrating holidays, Jewish learning, cultural experiences as well as social programs. There is no formal structure to a Havurah. Each group decides when, where, what and how their Havurah will get together. You can get as creative as you like!

Being part of a Havurah is a wonderful way to feel the warmth and support of a close-knit community. The Havurah experience is for people who want to be part of a unique communal bond or extended family.

Please fill out the Havurah information and send or bring it into the office.
