CAMP CONEJO CREEK

Select four activities from the ones below when registering for camp.

Summer Activities and Workshops

 Mixed Media - This workshop will challenge campers to use their imagination and translate creative ideas and images into visual art utilizing mediums like ceramics, woodworking, and canvas while incorporating paint, ink, watercolors, and collage.

 Fun Fitness - Get ready to have some fun through fitness with recreational sports and activities like gaga, frisbee golf, croquet, lawn games, tug-of-war, soccer, along with time dedicated to sports skills and drills. Through teamwork, campers gain lifelong skills as they build self-esteem and leadership ability through fitness.

 Performing Arts - This musical theatre arts program is for the aspiring performer interested in learning about and participating in musical theatre. Instruction is focused on performance artistry, musicianship, dance, and actor training.

 Culinary Cuisine - Campers will prepare delicious and tasty kosher creations right here in TEC's dairy kitchen. Kids love cooking and the best thing part of this activity is teaching them about healthy cooking and eating. While your campers are learning all about nutrition, the culinary arts activity includes reading, math, science and health. And, there is challah every Friday!

 Super Science - From crystals to chemical reactions to lava lamps and catapults, the science activities in this workshop engage and educate. Campers in this workshop will discover and explore topics ranging from chemistry and bugs to science and seeds.

 Abracadabra Magical Arts - Campers will learn, perform and demonstrate magic tricks and illusions. Learn the basics of coin tricks, card tricks, levitating illusions and other magician techniques. Have fun and amaze your family and friends.

Thank you! We look forward to spending the summer with you!
