One of the most difficult challenges in life is trying to cope with a child's problem with alcohol and drugs. Many people come to Al-Anon for the support and understanding they need to handle this heart-breaking situation.

*Parent Focus Meeting*

A word about Al-Anon:

*This Al-Anon meeting has a  
focus on parents and their children.*

Al-Anon Family Groups are a fellowship of relatives and friends of alcoholics/addicts who share their experience, strength, and hope in order to solve their common problems. We believe alcoholism/addiction is a family illness and that changed attitudes can aid recovery. The family situation is bound to improve as we apply the Al-Anon ideas. Without such spiritual help, living with an alcoholic/addict is too much for most of us. *For any questions: Donna Dawson donnasue10@mac.com; For additional meetings visit: <http://www.alanonventura.org/meetingdirectory.html>*
